My college math instructor has asked me to stay after class so we can discuss my grades. He said he's noticed that for the last couple months, my grades have been dropping. I explained that I was spending more time at the dance studio with my ballerina coach, but that was not good enough for him.

AMY HAS TO LEARN

He made me lock the door to the classroom. When I went back to his desk, he handed me a small black thing and then... well, you'll have to watch for yourself to see what happens to me and my firm tight ass.

Pretty Patricia got straight As on her last semester tests. Now it's time to celebrate and what better way can a college co-ed find a happy release than through sex. But in Patricia's case, one dude is not enough so she asked Rick to bring a friend so she can celebrate. Of course, he was more than happy to do it and after the introduction, she got right to it, and the other it.

PATRICIA IS DOUBLE TEAMED

Our happy matriculator must stay on her toes as she's about to start school soon for another degree, but first, it's time to enjoy this one, and the other one.

I couldn't wait for April. This winter in Connecticut was way too cold for me to take so I couldn't wait for spring break. I used to go to Daytona Beach but this year I'm going to try Panama City. I hear it's quite the party beach and I really need that about now. Sadly, my boyfriend can't come along –

LESSON FOUR

Since last issue's first lesson was about blow jobs, then this one has to be about pussy licking. It doesn't matter whose tongue is down there, the techniques are the same, and the result should be the same. The very first thing should be to ask your partner how she likes it. Then go to it and be sure that as you go along, she approves. You can tell by her sounds and by her hip motions.

GETTING STUDENT AID

I would take on some painting jobs around the college to make some money to help pay for my books and such. Last week I was painting these rich people's indoor stairway when the lady of the house walks up the stairs without looking at me or saying a word and went into her bedroom and didn't close the door. She stood in front of the full length mirror and took off her dress. I couldn't help but watch and she must realize I was watching. She moved her hands behind her back and unclasped her bra, letting it fall to the floor. Her boobs were beautiful! She ran her hands over them and squeezed them as if admiring how good they looked.

"Do you like them?" she asked suddenly turning towards me. I struggled to find any words and just managed to squeak a 'yes.' Her ass was really sexy too as she walked over to the bed and said, "Come here and lick me." I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide. I moved in between her legs and pushed my tongue into her deliciously wet pussy. She tasted real good. A moment later I could feel all the muscles in her pussy contracting as she came. I got up, wiped my mouth, grabbed my brush and went back to work.

I WANT IT WHEN I WANT IT

I'm the type that knows what I want sexually and I am not afraid to go after it. I make all my classes during the week but when it comes to the weekend, it's my release, emotionally and physically. And when I go out, I'm not looking to pick someone up. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, this night I felt like I really needed a man. But not just any man would do.

I was at the local club just off campus waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here at ASU it was early spring and the temperature was still quite warm, so I dressed in a rather skimpy, tight-fitting black vest, a short, tight black leather mini-skirt and heels. My vest showed my tanned boobs off to perfection. I was known for having bullet-like nipples that tended to poke through the little tops I would wear. Tonight I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain but on nights like tonight, they were a definitely plus.

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it by ordering another glass of wine from the bartender. 'Fuck it,' I thought to myself. Let me

see if I can get some action before my friends arrive. And when they do, they'll have to find their own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep, and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 23 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact at about ten feet and I smiled at him. As he approached me, we instinctively started to shuffle dance, getting closer and closer.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my moves. After about fifteen minutes of dancing with him, kissing and touching him on the dancefloor, I whispered into his ear. "I'm going to fuck you, now... in the restroom." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom. The ladies restrooms were generally not monitored. If there was to be trouble, it would most probably come from the men's room. At first, he was a little worried about going in the ladies room, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle after me.

Locking the door behind us, I told him to sit down and get his cock ready for action. He did as I asked and pulled his jeans and boxers down. I grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he

could see, while I continued playing with his cock. Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth; my lips closed around it; and I slowly backed off eyes looking up at him. I started to give him my special blow job moves and I sensed he knew it. I licked and sucked all around his penis and dug my nails into his lower back as I pulled his hips into me to swallow that cock of his.

I then pushed him down on the seat and straddled him. First, I lifted my skirt even more and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock too fast. By this time, I was dripping wet and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes while I grinded on him.

I undid the remaining buttons on my vest and my boobs bounced out off their restraints. My nipples were hard, and I knew if he sucked them, it would get me

LESSON FIVE

Exhibitionism

Seems like when students are in college, they want to let loose and show off. At sports, in class, and at wet T-shirt contests. Remember streaking? Well, that's pretty mild to what some co-eds are willing to show today. One student newspaper interviewed a Modern Studies professor who's been with the university for more than twenty years on the subject. He said that in the last five years, there has been an increase of at least 50% in leg spreading in class. And at least three to five co-eds flashing their boobs during his lectures.

struggled to stay on the seat, but still managed to grab my boobs from behind and pinch my super-hard nipples. This was now starting to really send me over the edge. And him too apparently.

closer to the edge. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming. I needed to get closer myself, so I jammed my body down on him and changed from my previous gentle motion to a harder grind in a forward and backward motion, making sure my clit was pressing hard against the base of his cock.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my buttocks sending me deeper into pleasure.

I felt his tongue slide up and lick my butthole, but I'm not ready for that with him, so I pulled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down and the final workout began. I bounced up and down on his cock, shaking the toilet and stall. He

As I felt him begin to tighten up, I reached under and grabbed his balls and spun them around in my clutch until he came inside me with a muffled scream. The feeling of his hot cream spurting inside me felt fantastic but it didn't quite push me over the edge. With his cock still in me, I quickly started to rub my clit and within a few seconds, I felt the wave of an orgasm start to spread throughout my body.

I realized I didn't actually know his name but gave him a quick peck on the cheek and following a quick clean-up, we opened the cubicle door and walked out of the stall. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the restroom. Admittedly, we were so unaware of others being in the restroom, but they were all cool.

We headed back into the club and settled again at the bar. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was my friends finally arriving – an hour too late. But I didn't mind. I had spent the time the way I wanted. I didn't bother to introduce them to him. After a while, I told them I had to use the ladies room. I looked over at him and left first. A few minutes later he followed me for round two!

LESSON SIX

Threesomes

College life provides the opportunity for countless hook-ups, and one situation will be to have a three-way. And that means there are four variations to a three-way. Girl-girl-boy, girl-boy-boy, girl-girl-girl, and boy-boy-boy. If transies and the like are part of the equation, then the numbers increase exponentially. No matter your preferences, take precautions and know who you are getting into the scene with. Once you're in it, be doubly sure that everyone gets their fair share and no one is neglected.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

Ever since "Fifty Shades of Gray" has come out, people from all over the internet said I should be starring in it. My social media went through the roof, and I appreciate that, but what would that do to my studies? I can't fuck or make movies all day, so that's why I'm doubling up on cocks today, then I have to take some time out to get my degree.

always glad to help out

*She set the rules and

My self-restraint
helped but wasn't
in her plans.*

Her name was Michelle and she was my ex-roommate's girlfriend turned wife. Although they were not divorced, he told me that he moved out of the co-ed dorm several weeks ago. When they were together, I got to know her a little bit then, but there was way too much drama at the time. I offered her an ear to vent her frustrations and she took advantage of it. Now things have settled down and I've only seen her a couple times since then. Today I got a call from her out of the blue. She said it was the two-month anniversary of their split, and she asked me to come over and celebrate with her. She said she'd make a home cooked meal for me. "I'm headed for the supermarket to get food to cook tonight. Would you like to come along and pick out the steak you prefer?" she asked. "Sure." was all I could say. She soon pulled in front of my apartment and I jumped in her car. We flirted along the way and even more in the market. To my surprise she pinched my butt in the fruit aisle. She paid for the groceries and we headed the five miles back to campus. She asked if I would drive and I said "Sure."

By the time we got to her dorm, Michelle had taken out my dick and sucked it a good number of times as she played with her boobs. There was something about this woman's blowjob that made it different. It seemed like she really loved to do it. So – I've driven home with her head in my lap and now I'm going to go in and she's going to make me dinner. Damn! I thought. Some minutes later we arrived and when we stood in the elevator to her floor, all I could do was to kiss her again. Her hands rested on my ass and squeezed it and so did I to hers. I caressed her firm butt and back and our tongues wrestled. We had to break the kiss as we left the elevator. I opened the door to her apartment and as soon as the door was closed she said: "Would you please open

that bottle of wine?" I did and settled back in a kitchen chair. To my amazement, she then took off her top and skirt exposing a beautiful body, flawless and most sexy. It was made for fucking and I think I was going to do that. She knelt before me as I sat on the chair. I was rock hard and had a big bulge, which was obvious. Michelle saw it and started to smile.

"How sweet. Seems like someone's really happy to see me. I want to see him, too." she whispered. With that she pulled down my pants and even my shorts. My hard cock sprang free and she gasped. In front of her sprang out my eight-inch long and three-inch thick cock. "That thing is huge. I mean I didn't know you have such a big one." I smiled and looked down at her. "I only hope it will fit..." she said looking back up at me. I grabbed her shoulders and pulled her blouse and her bra-straps down only to unhook her bra and throw it away. There they were; her nice big boobs with cute pink areolas with pink nipples. I was stunned, one of her nipples was pierced with a little ring and both were stiff and hard.

Before I could do anything, Michelle grabbed my dick and started stroking it. She bent over into my lap and started gently licking up and down my swollen member, licking my balls and sucking each one in turn into her mouth. She was gentle and sensual. Her hands were all over my body. But I still had some clothes on and she made me get up and take them all off. Then she started up again with her mouth on my cock. This blowjob was amazing, better than all the rest. Michelle was now into some vigorous squeezing, licking and waving my dick around, slapping it on her face. I was in heaven having such a beautiful angel giving me head. I watched her lovely face kissing the head of my dick. Her tongue started to lick up and down my shaft while her little hands rubbed it. Michelle opened her small mouth as far as she could and shove my head into her hot and wet suckhole. Her tongue started flicking around it more

and more while one of her hands massaged my balls. She pushed more and more of my giant cock into her mouth but had to rest after about six inches. She pulled it out just to push it in again and this time she got at least one more inch in. I felt my head pressing against her throat but she did not stop. She just rammed her head over and over down into my lap and finally got all of my cock down her throat as my balls slapped against her chin.

This woman who I was with a few hours ago in the supermarket was now between my legs having my long and thick dick deepthroating her face. I felt my balls starting to boil only because of the tightness of her suckhole when she started to hum and swallow. These vibrations gave me the rest and I started groaning while shooting my hot semen spurt after spurt down her throat. Some of my cum must have filled her mouth as well because while I was still pumping, some cum dripped out of her lips and ran down her chin. I thought I would never stop cumming, but it finally stopped. I pulled out my dick and I saw that Michelle's mouth was filled completely with my hot and sticky fluid. Another drop of it escaped her mouth, ran down her chin and dropped onto her beautiful tits. She had to gulp three times until she had swallowed all of it and I finally stood up again.

"Let me do more for you tonight. I want you to relax and enjoy the night – and me. You don't have to do anything but play with me if you like. I'll do all the work tonight." I couldn't believe what I was hearing. She set the rules and I was going to obey. My self-restraint helped but wasn't in her plans. As I stood up, she started sucking me again since I still had a massive hard-on. She forced one of my legs up onto the chair and started sucking my balls as she then worked her way to my asshole. Woah! I thought to myself. That's virgin territory and I don't know if I was ready for that. No matter. She stuck a couple fingers into her wet pussy, brought them back to my ass and started rubbing around my little pucker.

Somehow she knew exactly where the pleasure nerve endings were. She gripped my cock hard and slowly began inserting a finger into me. I tightened up but heard her command me to relax back there. I tried and she pushed it in farther as she hungrily sucked my cock and balls. I do have to admit that after the initial thrust, it actually felt good back there and I was a bit disappointed when she pulled it out and said: "That's enough for you. Now it's my turn and you're going to do the same to me. Okay?" "Yes ma'am!" is all I could mutter.

She knelt on the chair with her ass to me. Her firm breasts taking a beautiful shape as she hung down on her chest. Her smooth pussy was winking at me and I just had to dive in. A couple quick slurps of it and my tongue was addressing her insides with fervor. Her moans and squeals were enough to put my mouth into overdrive. I worked my way up to her perfect butthole and let my tongue work its magic. Suddenly I hear with a soft but commanding voice: "Stick your cock in my ass right now, Marc. Do it now."

I take my cock and tease her with it, rubbing it against her pussy and slapping it on her butt. Then I put my cock between her ass cheeks, spreading them slightly. I start to breathe rapidly and my heart begins to beat heavily in my chest. She knows I will not do anything she does not want me to. I rub my cock between my her cheeks, getting closer and closer to the forbidden. I give myself a mental pep talk and relax. I take the tip of my cock, and probe around her asshole. I ask her if she is okay with this, but she just tells me to keep going. Slowly I enter my cock in and out of her anus, not fully in, but just enough for her to feel the slight twinge of pain and pleasure. She relaxes slightly more as I push into her deeper and deeper. She seems unsure as to what to feel, there is a slight ache, but I can tell it feels so good

to her, so taboo. Pulling on her hips, I pull myself in and out of her. Pulling on her hair and speeding up the pace, I fuck her ass until she just can't take anymore. I pull out gently as her knees give out from beneath her. She rolls into my arms, and we kiss passionately and caress each other.

But I'm not done with her yet. I get on top of her and ram my hard cock into her. Hammering her throbbing pussy faster and faster, I bang her with my hard cock as many long minutes go by. Now we switch to doggy style for deeper impact and she looks back at me and tells me to put it back in her ass. Of course I had no choice but to comply. Michelle had the most unbelievable anus between her smooth inner buttocks. I jammed it in and she immediately started gyrating wildly as I enjoyed some really sweet butt-fucking. She was tightening her sphincter around my cock even better than she had with her mouth or pussy. As I fucked her from behind, I told myself that this was the best butt-fuck I had ever had. She had the best moves, her butt channeled my cock into her asshole in a way that made me feel the pleasure all over my body. Her butt and sphincter knew when to tighten and when to relax on my extra-hard cock. I wanted to rub her clit and stick my fingers into her pussy. I was about to cum and I knew that feeling her pussy would set me off, but to my surprise she pushed my hand away.

"Cum on Marc, we're both so close so fuck me harder." she starts commanding again. I obediently obey and push my cock even deeper into her ass. She backs me down on the chair and spins herself on my cock so she's now facing me. She plants a big, deep, wet kiss on my lips and forces her tongue into my mouth. I respond by pulling her down harder onto my cock, grinding her hips onto it. "Marc, fuck, I'm cumming, I'm cumming!" she screams. I try to pump harder but she's tighten up so much I can only hold my position to appease her. She cums and melts into my arms with my cock still hard inside her butt. "Poor baby, you haven't cum again yet" she purrs. She gets off me and using some very deft strokes on my cock and squeezing my balls at the exact right time, I shoot a load right into her chest. Then we fall into each others arms, soaked in sweat and our juices. I kiss her gently on the forehead and we hold each other panting and catching our breath, breathing the smell of each other in along with the raunchy smell of sex and sweat.

"Now, where's that steak I promised you?"

AMABELLE'S NEW SCHOOL LESSONS

I transferred to another college for my junior year. I wanted to move closer to my parents who have retired to Florida. I learned from a girlfriend that my new school has a great math program and a professor that is willing to tutor his students after class. I think that's what I need. A good teacher that wants to help get ahead. I can't wait for his class.
